

What we already know (Year 8/9):

- To develop composition skills in a variety of styles and genres.

BTEC Music
Term 4 Cycle A – Managing a Music Product
Submission and Final Performance Preparation

What's next (Higher Education)

- To develop skills helpful to create a music product and begin a career in the music industry.

Golden Concepts			
	Listening & Appraising	Composition	Performance

What I will know by the end of the unit:

Key Vocabulary	
Music Product	Music related merchandise (CD, Recordings, Concert merchandise etc).
Teamwork	Working with a group of people to create a successful product.
Repertoire	A variety of musical songs or pieces to perform.
Rehearsal	Practicing a piece of music ahead of a performance to develop technique and skill.
Performance	Playing or singing repertoire to an audience.
Evaluation	To identify the strengths and weaknesses of a project.

- To analyse and evaluate the success of the music product that has been created.
- To engage in discussions and presentations with peers about the music product.
- To develop teamwork with others when working on a project.
- To prepare to submit project coursework, editing and improving work where necessary.
- To continue to develop rehearsal and performance technique in preparation for the final music performances.
- To develop a broad repertoire to use in a music performance.
- To develop rehearsal and performance skills.
